The Point of View Paradox OCDQ Blog

One of my all-time favorite non-fiction books is The 7 Habits of Highly Effective People by Stephen Covey..

One of the book's key points is that we need to carefully examine our point of view, the way we see the world not in terms of our sense of sight, but instead in terms of the way we perceive, interpret, and ultimately understand the world around us.

7 Habits of Highly Effective People Sascha

The Seven Habits of Highly Effective People presents an "inside-out" approach to effectiveness that is centered on principles and character. Inside-out means that the change starts within oneself. For many people, this approach represents a paradigm shift away from the Personality Ethic and toward the Character Ethic.
