5 Examples Why Agnostic Bart Ehrman Is Not a Gospel Expert

Ehrman, the agnostic professor and gospel skeptic, began with three concerns that he calls problems with the gospels. However, the problems remain with Ehrman's lack of research and with his lack of understanding about the context, historical culture, and Mosaic law even though he is called a leading expert on textual criticism.

Why is Bart Ehrman wrong Open Forum The BioLogos Forum

What I gather from the first couple minutes is that Bart Ehrman started out as a fundamentalist evangelical Christian who, when he became convinced that what he had grown up believing was wrong, decided first that he didn t know whether there was any divine intention directing the universe and secondly didn t believe that if such a thing did exist that it was the God described in the Bible.
