The rise of media Streaming has accelerated the downfall of Maidenry DVD rental companies such as Blockbuster. In July 2015 an article from the New York Times published an article about Netflix's DVD server Maiden (2020) s. It stated that Netflix is continuing their DVD server Maiden (2020) s with 5.3 million subscribers, which is a significant drop from the previous Maiden year. On the other hand, their Streaming server Maiden (2020) s have 65 million members.
