Principle Centered Leadership Free Summary by Stephen R Covey

Stephen R. Covey shows how you can become a principle-centered leader, and how you can use principle-centered leadership philosophies to more effectively manage people. Principle-centered power is created when the values of the follower and leader overlap. Control is apparent, but it is not external; it is self-control.

Principle Centered Leadership Stephen R Covey Google

Ineffective people try to manage their time around priorities, says Steven R. Covey, whereas effective people lead their lives and manage their relationships according to principles-natural laws and governing values that are universally valid. Leadership is the ability to apply these principles to problems, resulting in quality, productivity, profitability and win-win relationships.
