Online Blu-ray or Bluray rips are encoded directly from the Blu-ray disc to 1080p or 720p (depending on disc source), and use the x264 codec. They can be ripped from BD25 or BD50 discs (or UHD Blu-ray at higher resolutions). BDRips are from a Blu-ray disc and encoded to a lower resolution from its source (i.e. 1080p to 720p/576p/480p). Walking Along the Paths of Buddhist Epistemology

The book walking along the Path of Buddhist Epistemology is the result of a project undertaken by the author to make the basic doctrines of Buddhist epistemology available to students who are interested in Buddhist studies but who do not have sufficient knowledge of Sanskrit language to go through the original texts themselves.
